

DOG POLICY / ACCOMMODATIONS

For the comfort and safety of our dogs and guests, we kindly ask dog owners to act responsibly with their dog and follow the guidelines listed below:

- Register all dogs and service animals at check in.
- We welcome dogs weighing less than forty (40) pounds (service animals excluded) and are current on vaccinations. Proof of vaccinations from a licensed veterinarian is required.
- Maximum of one (1) dog per guestroom allowed.
- Guestroom accounts are charged a one-time nonrefundable cleaning service fee of \$150, plus tax per guestroom for a maximum stay of seven (7) nights. Thereafter additional cleaning fee of \$50 and up to \$100 may apply after our staff has inspected guestroom. Service animals excluded.
- Guests are responsible for cleaning up after their dog on hotel property including grounds, so please immediately remove and dispose of any waste. An additional cleaning fee may apply if the dog creates an excessive mess.
- Please place the special “Dog in Room” door hanger sign, provided at check in, on the outside of your guestroom door for the duration of your stay as a special recognition to celebrate your family dog’s stay.
- Properly supervise your dog at all times when on property. Keep your dog on a leash when outside of your guestroom or secured in a crate when left unattended in your guestroom.
- Hotel reserves the right that a dog be removed from the premises when it displays signs of aggression regardless of breed, type, size, weight, etc.
- Please use the designated dog walk area outside of the hotel for dog relief and healthy exercise.
- Your dog is restricted from the pool areas, restaurants, lounges, health club, spa, on any lobby furniture, or in meeting spaces. Service animals excluded.
- Please dial ext. 88 to schedule housekeeping service between 8:30 a.m. to 4:00 p.m. Allow 30 minutes to an hour for service—time may vary. Safely crate or remove your dog from the guestroom during room cleaning service.
- As a courtesy to all hotel guests, noise should respectfully be kept to a minimum. If your dog is making excessive noise, you will be contacted for compliance. Your dog needs rest just like you. We want you to enjoy your stay.
